

Dental Services

UF College of Dentistry:

http://www.dental.ufl.edu/Offices/Community_Dentistry_Behavioral_Science/Community_Based_Programs/clinics.php

UF Health Science Center- UF campus

1395 Center Drive Gainesville, FL 32610

(352) 273-9097

The mobile outreach clinic offers referrals for extractions that are free to UF's College of Dentistry; however, they are not guaranteed.

Dental Clinic at Santa Fe College:

The Dental Clinic is located on the Santa Fe College Northwest Campus, 3000 NW 83rd Street, Gainesville, Florida in Building W Room 71. The Clinic operates Monday through Friday with varying hours. Since services are performed by Dental Hygiene students under the supervision of faculty appointments may take 2-4 hours with multiple visits being required. Services are limited and are offered by appointment only. The Dental Clinic does not offer any emergency services. The Dental Clinic does not offer services for toothaches, emergent care, extractions, periodontal surgery, orthodontics or root canal therapy.

Services offered by the clinic include:

- Dental Radiographs (x-rays)
- Oral Examination/Dental Hygiene/Treatment Planning
- Debridement (cleaning)
- Topical Fluoride Treatments
- Sealants
- Oral Hygiene Instructions

If you are interested in scheduling an appointment at the Dental Clinic, please note the following:

- Dental Clinic appointments are scheduled prior to the beginning of each Santa Fe semester by telephone only. Fall semester scheduling starts the first full week of August, Spring semester scheduling starts the first full week of December and Summer A semester scheduling starts the first full week of May. The Dental Clinic is closed during the Summer B semester. The Dental Clinic experiences a high volume of calls during the start of scheduling times; you may need to call multiple times. If you do not reach the receptionist and are forwarded to voicemail you will be instructed to leave a message and your call will be returned as soon as possible. Appointments fill quickly so it is important to follow all instructions indicated.
-

- Only Dental Clinic staff can schedule dental appointments. Other Santa Fe departments are not able to take messages or arrange appointments for the clinic. If you reach a busy signal when calling or a message that the voice mail is full, please continue to try. Once you leave a message it will be returned in the order it was received. We appreciate your patience and understanding.
- Need help finding the Clinic? [Click here](#) for a map of the Santa Fe campus. The Clinic is located in W Building, right off of 83rd St and South Rd. Patients may park in front of W Building . Please do not park in the blue spaces marked, "Reserved". These spots are designated for Santa Fe faculty/staff and you will receive a ticket for parking there without a decal.
- Please contact the Clinic if you have any questions regarding our services, scheduling or parking. The Clinic can be reached at (352) 395-5655.
